RE: OPB Screening: "Oregon At War"

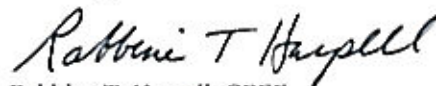

Dear David,

I'd like to express my appreciation to you and The Tower Theatre Staff for professionally executing our planned OPB Reception and advance Film Screening on September 13, 2007. Karin Cavanaugh, House Manager, Shannon Torrence Box office manager, audio/visual technicians, Jonah Brindley and Keenan Hansen and yourself David, are a well trained Unit committed to excellence. The staff implemented a flawless program and reception, handling ticket disbursements, communications, reception details and light/music changes with ease and expertise. It is rare to find a cohesive, supportive team of egoless professionals. **In my opinion, the staff members have proven themselves to be The Tower Theatre's greatest asset.**

The Oregon Public Broadcasting producers were impressed with the intimate setting and beauty of The Tower Theatre, and the elegant evening on stage with fine food, jazz pianist, cadets, patriotic music and Color Guard. I am pleased to inform you that OPB will now use our event program as their public relations model for outreach throughout the State

Please extend my heartfelt gratitude to Executive Director, Eli Ashley, the Tower staff and the volunteer ushers. I look forward to working together with all of you on the - USO Ambassador Tour production to benefit Disabled American Veterans.

Sincerely,

Rabbine T. Harpell, CFEE
