Tower Theatre Foundation

Fiscal Year 2012-2013

Providing performing arts and educational programs that make essential contributions to the region's lifestyle and strength of community.

# From the Board Chair and Executive Director

For fiscal year 2012-13, we continued to expand and extend the Tower's commitment to children and adults across Central Oregon.

Highlights of the year included:

- **Nearly 4,000 students and families engaged through LessonPLAN (Performing Live Arts Now)**
- **45 local nonprofits using our discount rental rates to present 120 events**
- **More than 50,000 patrons experiencing the Tower first-hand**
- **800 Central Oregonians becoming Tower members**
- **7 of 8 CenterStage Series shows sold out**

As Central Oregon's leading performing arts organization, the nonprofit Tower Theatre Foundation is committed to providing culture, education and connection. We are thankful for engaged stakeholders like you who ensure this iconic venue remains at the center of Bend's cultural community.

## COMMUNITY PARTNERS

*"For the past several years, the Education Foundation for Bend-La Pine Schools has hosted our signature fundraiser, the annual Trivia Bee, at the Tower Theatre. The Tower kindly provides the venue at a discounted nonprofit rate and the staff and volunteers are an absolute pleasure to work with. The atmosphere in this historic theatre is wonderful and draws many event attendees. Proceeds provide vital support to our Classroom Grants program which benefits thousands of students across the district each year."*

Heather Vihstadt, Executive Director - The Education Foundation for Bend-La Pine Schools

# FINANCIAL PARTNERS

The Tower Theatre Foundation is the nonprofit that owns and operates Bend's historic venue. Ticket sales alone do not cover the cost to maintain and program the theatre. We are grateful for the generous support of the community.

## CENTRAL OREGON'S CENTER STAGE

We are delighted to help light up downtown Bend over 200 nights per year. With a diverse programming model, we truly have something for everyone.

## LessonPLAN

sponsored by

*"You really can't imagine the magic that happens when these young people are introduced to the performing arts. There is a light in their eye that cannot be missed. The building, the stage, the atmosphere and the performance all create a lasting impression on them. With the loss of much of our arts funding, LessonPLAN is even more critical. I am grateful to the Tower and all those who help fund this program."*

**Elizabeth Renner, Music Teacher – High Lakes Elementary**

In 2012-2013, nearly 200 **volunteers**  
gave 5,000 hours to the Tower!
