

FDFT FILMMAKERS FOR SUMMER 2011

Full Draw film Tour teams up with northwest filmmakers to unveil some "bona fide" awe-inspiring footage. These independent film companies have dedicated their lives to archery and capturing heart pounding, bowhunting on camera. They train and exert themselves to cover and hunt some of the most rugged country in the Northwest. **Backcountry, wilderness, public land... it's REAL and it's never been seen—until now!**
